Filed: June 21, 1999

For: APPLICATION APPARATUS AND METHOD

Docket No. P06396US0/DEJ

LETTER

Commissioner for Patents
Washington, D.C. 20231
S I R :

Attached hereto is an APPLICATION DATA SHEET to correct the name of the inventor. On the declaration which was filed, the last name of the inventor was presented to the right of the first and middle name, but was inadvertently not labeled as the surname. The correct last name was correctly noted in the filing receipt, but the present Office Action now lists the incorrect (middle) name. That this listing on the APPLICATION DATA SHEET is the correct name of the inventor is evident from all of the other documents filed, including the international stage application.

Respectfully submitted,

Date: December 14, 2001
